- Skype: inlingua.serviziotraduzioni

<http://www.aiti.org/profilo/silvia-cavigli>

- technical scientific translator certified according to UNI 11591:2015 Standard

Working languages: English, German, French > Italian (mother tongue)

- attended a four-year language school in Milan (Istituto Giusti - via Prina, 11 - Milan) and obtained a Translator and Interpreter diploma in **June 1980**

- obtained a Travel Operator diploma at Istituto Bertarelli in Milan in **1981**.

- went to Austria, Germany, UK, France to practice my language skills in **1982**.

- established my own company "IN LINGUA", specializing in translations and interpreting in **1985**, which has been operating successfully with major companies and private institutions in Tuscany.

- member of AITI (Associazione Italiana Traduttori e Interpreti – Italian Association of Translators and Interpreters) in Tuscany **since 1998**.

- certified according to UNI 11591:2015 Standard

My prevailing activity is carrying out technical translations (technical specifications and instruction and service manuals for electronic equipment) and managing business relationships with foreign companies on behalf of my customers.

I also carry out sworn translations at the court of Arezzo.

Software: MS/DOS, Windows 7 professional 64 bit, Word 2007, Page Maker, Excel, Trados Studio 2017, ADSL internet connection

Hardware: PC, laptop, backup hard disk, fax machine, printer

CD-ROM, CD/DVD recorder; Internet; Printer; Fax Machine.

The translation and control phase of texts is carried out in compliance with criteria assuring high quality standards (e.g. triple reading of text).

My principal translation fields are:

- websites
- power electronics and applications
- spray booths for cars and trucks
- photovoltaic power systems
- mechanical engineering
- legal documents
- real estate surveys
- notes of calculation for civil engineering
- banking documentation

- telecom
- quality assurance
- commerce - contracts
- banking
- spray booths for cars and trucks
- mechanical equipment
- air cleaning systems
- wine - food
- office furniture
- textile machineries
- children's fashion
- sworn translations

- I have collaborated to prepare and issue the whole documentation in Italian and English language in order to get the Quality Assurance ISO 9001 certification for an Italian company operating in the power generation field.

- Among my accomplished projects, the translation of a tourist WEB site from Italian into German, English and French regarding the Casentino Valley (itineraries, craftmade products, typical food, hotel booking, etc.).

- Translation from Italian into English of a study project for the Italian C.N.R. (Consiglio Nazionale delle Ricerche - National Research Council) on behalf of the Università degli Studi of Florence (Faculty of Law) regarding bioethics, mandate, trust, toxic torts.

- Publication on : www.sommeliersonline.it of "English course for wine tasters" written in cooperation with the Italian Association of Wine Tasters.

- Translation of European standards into Italian, among which EN ISO 12215, UNI EN 13355, Norme Française NF E 85016.

I have attended the following specialization courses organized by the Italian Association of Translators and Interpreters:

- The translator between informatics and translation: today's tools and future developments.

- Time management.

- Advanced Trados course.

- The management of translation projects from quotation to delivery.
