## EXPERTISE

- Life Sciences, Medicine, Dental Medicine, Pharmaceuticals
- Agriculture & Environment, Veterinary, Nutrition & Food Industry
- Software Localization & IT
- European Affairs, Corporate Communications
- Marketing & Media

## EXPERIENCE & EDUCATION

In addition to the fields above, I specialize in translating documents that compliment my personal interests. These include travel and tourism, gastronomy, history, swimming and complementary/alternative medicine. I am familiar with the terminology of each area of expertise and keep myself constantly abreast of the latest trends and developments.

My professional background includes 3 years of experience as a Senior Communication Planner in multinational advertising/media relations agencies. I know how to speak the language of your client's line of business.

I am always looking for interesting new assignments/projects and I look forward to the possibility of working with you.
