Communication skills

Excellent communication skills gained through my studies (journalism), client service (as an account manager in an advertising agency and a translator cooperating directly with customers) and cooperation, as a vendor, with translation agencies (constant contact with PMs).

Organisational / managerial skills

- Good organisational skills gained as an editor in the monthly magazine, an account manager in the advertising agency and a freelance translator organising my own work
- Good team-leading skills gained as an account manager in the advertising agency (led a team of 3 persons) and a network team leader for translation projects

Job-related skills

- 17 years of experience in translation
- Excellent command of the target language (Polish) in terms of language culture, style, vocabulary, grammar, punctuation, syntax etc.
- Utmost diligence and attitude towards quality and customer requirements (positive feedback from customers – no complaints)
- Knowledge of different processes associated with translation (post edit, proofreading, review, quality assurance and assessment, linguistic sign-off etc.)
- Versatility social sciences background mixed with technical interests and good grasp of technical topics
- Proficiency in using CAT tools (working with SDL Trados Studio 2019 and SDL Trados 2007)
- High professional ethics, reliability and timeliness
