Career History

January 2009 - present, www.survivalinsight.com Freelance Writer

- I Write and research articles for new 'how-to' website. Article subjects range from personal finance to leisure, interpersonal relations and even personal security.

February 2008 - March 2009, Linguacenter (Madrid, Spain) English Teacher

- Taught Business English to adult learners through in-company classes and telephone classes.
- Improved student attendance rates and achievement by implementing various interactive and stimulating teaching methods.

September 2007 - December 2007, Acadomia (Burgos, Spain) English Teacher

- Planned and taught business English course for in company classes.
- Assessed student's skills and abilities, to target development areas.

September 2006 - September 2007 (Burgos, Spain) English Tutor

- Taught English to private students.
- Assessed students' weaknesses, to create course plans specifically aimed at their needs and objectives.

January 2007 - September 2007 (Burgos, Spain) Guest House Manager

- Coordinated and supervised all aspects of the day to day running of the guest house, including customer relations, stocking, budget control and services.

June 2006 - January 2007 (Burgos Spain)

- I spent these six months living in a remote village in the 'Sierra de Urbion' mountains. I used this time to get to experience life in the forests and spent many days walking, mushroom picking and general exploration of the area. An incredible experience.

September 2005 - June 2006, AVC Europe (Stevenage, UK) Senior Bench Tech/ Team Leader

- Supervised and coordinated a team of pickers/ packers.

Training

- “Build and Engage Local Audiences Online”, News University
- “Mountain Leader Training” MLTE & BMC UK
