Skills

- **CAT Tool** : MemSource/Phrase. **Softwares** : Microsoft Office, PowerPoint, Word, Excel, Adobe Acrobat...
- Ability to meet deadlines
- Great attention to details with excellent work ethic
- Energetic and highly organised

Here is a sample of my completed translation projects :

- brochures/attractions for one of the largest online **travel agencies** since 2011 (letter of recommendation available if need be)
- **video games**
- **subtitles and synopses** for documentaries, TV shows or movies
- **gambling texts** for a gambling magazine
- huge **water sports document** (about 40 000 words) for an Australian website
- **website translation** of an international French company dealing with winemaking
- **marketing project** for a French travel agency
- **lawn mower manual** for a German manufacturer
- **science-fiction short story** (3 500 words) "The Wall Of America" (Thomas M. Disch)
- **marketing texts** for a French company dealing with wine production
- **instruction handbook** for a French drill maker
- **air conditioning manuals** for a French and an Italian manufacturers

- several **printer manuals** for an American manufacturer
- large number of **blog posts** dealing with movies or headlines
- several **cell phone manuals** for a Spanish brand
- **advertising text** (3 000 words) for a mouthguards supplier
- **report** on the consequences at work of the degenerative arthritis and its social effects

My translation skills also include a great deal of experience with **general documents, annual reports, questionnaires and market studies, brochures, press releases, business documentation, training material, catalogues...**
