

María Eugenia Pestana Luengo

Tel.: + 34 636 492 325 – e-mail: mepestana@expresion.es

María Eugenia has extensive business and management experience in four industries — renewable energies, telecommunications, management consulting and hotel and travel industry. She has worked for smaller businesses as well as for top multinational companies. Her experience includes **Project Management** and being an active participant in the **start-up phase of new companies** such as Airtel/Vodafone and Jazztel and its subsidiaries Ya.com and e-Jazz, usually with an emphasis in the communications, marketing and PR area.

She has been the **leader of top performing teams** working in **highly complex and undefined environments**. María Eugenia has **strong interpersonal skills** and is an outstanding *structuring* and organiser of complex projects and tasks.

She has a BA in History and various post-graduate courses such as International Law and International Economics (London University). She began her professional development as a **communications specialist** working with **McKinsey and Company**. This experience oriented her future career path.

María Eugenia has served as **Director of PR & Corporate Communications** of **Jazz Telecom**. Prior to that she was **Regional Manager** of Animatur, S.A. —a PR programmes and services company— and worked as **Special Correspondent** for Afa de Comunicaciones, S.A. in various **Asian and African countries**.

She currently works a freelance **corporate writer and translator**, where she has **over 20 years experience**.
