EXPERIENCE

Freelance Translator, 2000-2020

I've translated millions of words in the following fields:

- Legal – Court proceedings, judgments and arbitration awards, international law, business contracts and disputes, data privacy, intellectual property
- Healthcare – Medication leaflets, vaccination and disease prevention, health awareness campaigns, clinical research
- Health Insurance – Proof of coverage, summary of benefits, customer complaints, claim forms, marketing materials
- Business – Corporate records, human resources policies, employee training programs, by-laws and articles of association
- International Development – Donor reports, budgets and program documents, websites for international institutions, intergovernmental organizations and NGOs (health, refugees, economic development, education, social issues)
- Environment – Environmental studies, CSR, oil spill contingency planning, wildlife impact assessments
- Technical – Engineering reports, user manuals, technical specs

WordGate Translations, Inc., 2011-2020

- I have managed my own small business for the past 9 years
- I manage relationships with clients and independent contractors
- I establish schedules, set deadlines and ensure on-time deliveries
- I conduct marketing activities and search for potential clients
- I manage budgeting, invoicing, tax reporting and general finances
