## Languages

Slovak, Czech, English, German

## Reference

S-Club with my personal participation has provided language services for the following companies, both directly and indirectly:  
Slovenské elektrárne (Slovak Power Plants) (several international missions and conferences), Siemens, Framatome, Nuclear Research Institute Řež (Czech Republic), Worley Parsons E&C (Bulgaria), Všeobecná úverová banka (privatisation project), Embassy of the USA in Slovakia, Castrol, de Miclén, Slovenské energetické strojárne Tlmače, Transpetrol, Slovnaft, Suzuki (both cars and motorcycles), Komatsu (technical), Sanofi (medical) and many others. We cooperate with several translation agencies from Slovakia, Czech Republic, Germany, Austria, Poland, Hungary, China and other countries. Our capacity is approximately 50 pages per day for translations from/to English and 10 pages per day for translations of other languages.
