## PROFESSIONAL EXPERIENCE

### Freelance English to Spanish Translator.

I have worked as a Freelance Translator on a part time basis since 1985. However, since 2004 I have been dedicated to translations on a full time basis.

Most of my clients have been UK translation agencies, although I also have a number of direct clients.

I have covered a number of subjects but, due to my academic background, I specialize in topics related to Economics and Management (banking, finance, foreign trade, investment appraisal, human resources, market research, marketing, etc) and Information Technology (IT).

I am also very much interested in subjects related to History, Literature, Government issues and Politics.

**My professional experience as an Economist and IT expert is as follows,**

**Project Manager  
Santander Group  
Santiago – Chile  
1990 – 2004**

**Main duties: Analysis, design and development of information systems.  
Participation in a variety of systems such as Foreign Trade, Human Resources,  
Data Warehouse, Business Intelligence.**

**Project Manager
