COMPANY PROFILE

We are a translation consultant firm dealing in translation, proofreading, and editing texts for publication purposes in all African languages with a special focus in Swahili, Somali, Oromo and Amharic languages.

Our focus is client satisfaction and efficiency. Most of our work is based on referrals from our existing client base. Our company is based on integrity, trust and efficiency.

Some of our regular clients include the following: -

- World Relief
- Campus Crusade for Christ
- Jireh Fund
- Gebende Hände
- Scripture Use
- Research international

The founder and director of this firm also serves in a Bible translation agency, Bible Translation and Literacy (East Africa) as a consultant for the last eight years.

Our staff which comprise of mother tongue speakers is experienced and knowledgeable in all aspects of translation. With a passion for translation, we keep abreast with both emerging and existing technologies and current principles ensuring that our work is able to stand tall in the field of translation.
