

CURRICULUM VITAE

Personal details:

Name: Yujia Shi

Gender: Female

Nationality: China

Email: yujia.shi@hotmail.com

Education:

Ph.D., Chemical Engineering	Tianjin University, P.R.China
M.Sc., Organic Chemical Engineering	Zhengzhou University of Technology, P.R.China
B.A., Chemical Engineering	East China University of Science & Technology, P.R.China
English	City of Bristol College, UK

Translation/editing/proofing Experience:

2008-present Freelance Translator

As a translator, I specialize in translation between English and Chinese. In the last 10 years, I translated numerous academic papers, business letters, patents, manuals and other documents in the areas of polymer science, chemical engineering, nanotechnology, biotechnology, energy, software, pharmacology, and health care.

7/1992-9/1994 Editor

Editor of a Chinese scientific journal, mainly in charge of papers in Chemical Engineering and Food Engineering

In addition, I have been publishing more than 50 scientific papers in English and Chinese peer-reviewed journals, and have experience in Chinese and English patent application. I was also invited to be a reviewer of two international professional journals.
