Cover letter: Resume/CV,

Dear Sir or Madam;

Languages are my passion. Pashto is my native language and I have passed English tests of TOEFL and IELTS from UK and USA. I have a Master's degree in Political Science. I have expertise in medical, legal terminology, business, pharmaceuticals, political science, religion, sociology, some technical, tourist, various other areas and everyday speech. I can translate well between either combination of English and Pashto, because I work with an English-as-mother-tongue colleague. I can be paid through Paypal, Moneybookers, by Bank Wire or Western Union. My services include translation, interpretation, transcription, proofreading, subtitling.

Looking forward to serving you, Fazal Wahab & Sheila Wall
