WORK EXPERIENCE

OWNER AND CEO

Nov 2021 - In progress

Miron Communication / Palm City Florida

Miron Communication is a translating and online marketing agency offering translation, online marketing, web development, lead generation and email marketing services. Our translation services are offered in 140 languages and dialects, by certified, qualified, accredited, professional and skilled language translators. From personal letters, technical manuals, patents, immigration, legal and medical document translation to on-line, our translators bring to your doorsteps decades of translating and interpreting experience.

Miron Communication is a family run business that first opened its doors in Portugal in 2008, then in 2018 expanding into Myrtle Beach, SC and as of October 2021 we established Miron Communication LLC in Palm City, Florida, we are consistently looking to grow and expand our services in the local, regional and national market.

Our founder and CEO, Yehonatan Miron, has 13+ years in the translation industry and 6+ years in the online marketing industry. We seek to help you expand your online presence, generate new leads/a new customer base and help you sell your products/services using our email marketing strategies.

For businesses and individuals that need high-quality translation services, that are seeking to increase their marketing efforts to reach the web and mobile platforms and that are looking for professional website development our company is a trusted partner. An in-depth listing of all the services we provide can be seen under the products and services section of our website.

MANAGING PARTNER

Feb 2018 – Jan 2022

Miron Enterprises LLC / Myrtle Beach SC

M.E. started from a small home-based business back in March 2011. It has now become a fast-growing multilingual translation service provider. We offer services within translation and marketing such as transcription, subtitling, proofreading, editing, email marketing, online marketing, SEO, google ads, and many others.

We at M.E always try to meet the client's requests and uphold to deadlines. With clients all over the world and a large team of translators we are at your disposal for any service you may require.

Unmatched quality, competitive translation prices and a complete portfolio of professional services contributes to make us the best translation and marketing agency in the US. We have been successful in catering the most promising solutions to numerous government institutions, small businesses and several global corporations effortlessly.
