Work Experience

Zaharicom, Inc. dba Translation-Service.com (2008-Present)
Miami, FL/ Bogota, Colombia
General Manager

A leading US based translation agency with nearly 150 staff members assisting individuals, universities, hospitals, multinational corporations, NGOs, and non profit organizations with their translation needs.

Responsibilities include the oversight of all company functions with active involvement in the coordination between offices in Miami, FL and Bogota, Colombia and in the development of professional relationships between Zaharicom and its clients.

Bern's Steak House Tampa, FL (2001-2007)
Administrative Officer

A world renowned restaurant with a constant influx of high level politicians, businessmen, and artists, with over 300 highly trained and qualified employees who cater to nearly 1000 guests per evening; generating over \$17 million USD per year.

The administrative and accounting responsibilities included reservations, daily bookkeeping, accounts payable, weekly payroll, monthly bank reconciliation and balancing for the three enterprises included in the Bern's Family of Legends group, in unison with the respective accounting firm.

Coordinated and processed internet sales, the training of administrative personnel in all of the aforementioned duties, assisted in the coordination of large events and in duties associated with Human Resources, such as benefits and 401k enrollment, requiring solid relationships with insurance companies.

Also noteworthy is the fact that my signature was authorized for banking and certificate issuing purposes.

Bilingual

Fluent English & Spanish

United Nations Economic Commission for Latin America and the Caribbean (ECLAC) (2004) Santiago, Chile

The internship was conducted in the Social Development Department and included a research project concerning Latin America's political economic development, culminating in the internal publication titled, "Social Movements: Their Role in Latin American Regional Integration and Strengthening Democracy", which analyzes and synthesizes the various stances had by the leading specialists concerning the region's political economic development.

Participated in closed high panel meetings with the Regional UN Secretary Generals, where issues such as Latin America's insertion into the global economy and social reality were debated.
