I am a bilingual English and Chinese speaker, an engineer, and a full-time freelance Chinese to English translator based in Taipei, Taiwan with **over 5 years of translation experience**.

Before I became a translator, I was involved in international trade, printing, computer operations, computerized numerical controls, and consultancy. These exposures allowed me to become a more resourceful and knowledgeable translator in my present endeavor.

Field of Specialization:

I provide high quality and on-time translation services in the fields of:

- **Engineering / technical translations:** manuals, technical reports, product information, technical specifications, mechanical & electrical products & machineries

- **Business translations:** annual & business reports, business correspondence, company & product brochures, marketing & advertising materials, newsletters, business presentations, websites, financial reports
- **Other translations:** email communications, letters, legal documents, abstracts, thesis, certificates, diplomas, licenses, CVs

CAT Tools:

- OmegaT
- SDL Trados

Computer Software Skills:

- Microsoft Office Suite – Word, Excel, PowerPoint
- Notepad
- Web – Internet Explorer, Chrome, Firefox, Skype, Yahoo Messenger
- Blog – WordPress
- Adobe – Reader, Acrobat, Illustrator, Photoshop, Lightroom 5, InDesign
