## Hobbies

01

### Video Games

I have been an avid video game player ever since I got an Odissey 2 from my parents, playing up to the current generations.

02

### Board Games

A modern board games player since 2012, I have a Youtube channel in Portuguese called Dados do Tabuleiro about it since 2016.

03

### Literature

I consider myself a bookworm, I love to read all types of books and I am passionate about literature.
