## EXPERIENCE

Jul 2005 – Present

## **Freelance Translator/Interpreter**

Over 10 years' experience translating all sorts of content, such as user's guide, detailed operation and maintenance guides, brochures, catalogues, websites and social media content. Having also translated a few books on different subjects from UFO novels to religious and motivational topics. In the health fields, I have translated from abstracts to medical reports and articles. I have worked also with audiovisual content such as movies, TV shows, institutional presentation and assembly instructions, having translated and subtitled. As interpreter, I have travelled to European and Asian countries for business meeting, inspection rounds and diplomatic events. Having also assisted executives and politicians at small and medium events for consecutive interpretation. I also have experience in project management for both subtitling and translation projects.

## Past and Current Contractors: Amara (USA), WordPerfect

(Ireland), STT (Portugal), Deluxe Media (India), Video Eye (Brazil), Focus (Brazil).
