

Zbigniew J. KUNSTMAN

Curriculum Vitae

Address: ✉ ul. Listopadowa 67/9,
43-300 Bielsko-Biala, POLAND
Telephone: ☎ (+48 33) 822 44 40
Mobile: (+48) 500 524 714
Mobile: (+48) 500 162 939
E-mail: zjkunstman@gmail.com
www: <http://zjkunstman.ucoz.pl/index.html>
Nationality: Polish

Profile

An experienced Mechanical Engineer & CAD Designer, IT Specialist & Computer Programmer, Technical Author & DTP Specialist, Professional English/Polish Translator, enthusiastic and motivated with strong technical and manual abilities and good communication skills. Pointed and well organized both independent and team player with structured approach to work.

Abilities

- localize computer programs from English to Polish and vice versa,
- translate scientific, technical and IT texts,
- develop computer programs,
- create software documentation, user guides and online Helps,
- teach English,
- teach CAD techniques to engineers and academic students,
- manage the electronic computation office and perform engineering numerical calculations,

- design machines, develop original technical projects, inventions and patents,
- operate CAD workstations,
- manage CAD group of engineers-designers
- strong managerial skills,
- can work hard and effective both alone and as a part of team,
- good command of English,
- ability to fast and eager learn.

ZJK Engineering

1993 - still **Owner of the IT & CAD Company**
The company's headquarters is located in Bielsko-Biala,
Profile: CAD Designing in the machinery industry, Engineering calculations,
Automatization, IT Systems, Software Localization, Technical, Scientific and IT
translations, Computer Graphics, DTP Edition
(Managing Director)

Regular Employment

- 1989 - 1997** **Academic Teacher**
Institute of Mechanics,
Subject: CAD designing of electronic chips and numerical calculations
Mechanical Department
Polytechnic of Lodz,
Branch in Bielsko-Biala
- 1994 - 1995** **English Teacher**
Continuous Teaching Centre for Adults
Bielsko-Biala, Poland
- 1975 - 1976** **Senior Assistant and Academic Teacher**
Subject: Exercises on Theoretical Mechanics
Polytechnic of Lodz, Branch in Bielsko-Biala
- 1964 - 1996** **Chief of Electronic Computing Office**
CAD Team Leader
Design Division of
Textile Machinery Development Centre
„Befamatex”, Bielsko-Biala, Poland
- Machine Assembly and Service Manager**
at BEFAMA customers and ITMA international textile machinery exhibitions
- Senior Designer & Team Manager**
designing the woolen card sets
Textile Machinery Factory „Befama”,
Bielsko-Biala, Poland
- 1961 – 1964** **Engineer Designer**
Technological Division
Metal Factory, Bielsko-Biala
(FIAT AUTO POLAND).

Education

- 1989 - 1990** **MA in Teaching**
Polytechnic of Lodz
- 1988 - 1988** **Computer Aided Designing (CAD)**
HAN Engineering GmbH in Vienna
- 1978 - 1979** **Individual studies of IT & programming**
Gesamthochschule Wuppertal (FRG)
- 1973 - 1978** **Doctorate studies**
opened thesis on mechanical vibrations
Polytechnic of Lodz
- 1973 – 1976** **Computer Programming**
Programming Languages, Data Processing
Computing and Optimization Methods
Warsaw, Katowice
- 1954 - 1961** **MSc in Engineering**
Specialization in Machine Tools and Technology
Mechanical Department of Polytechnic of Cracow

Skills

Computer Software MS Office, Adobe Acrobat, Adobe Photoshop,
CorelDraw, Adobe Flash, TM Trados,
SQL, FTP

CAD/CAM AutoCAD, IronCAD, PEPS, Mastercam,

Programming languages Cobol, Fortran, Algol, Pascal, C++, Delphi,
XHTML, XML, Java,

Languages English, Polish, German, Russian

Interests Gliding, skiing, mountain tourism, swimming, biking, reading, socializing with friends
