SUMMARY

I am a bi-lingual Spanish born English national who has spent the last thirty years trading with Spain in the areas of fishing, import/export, law and renewable energy.

The work has consisted in almost daily translation and interpreting, I am highly proficient in both.

CAREER DEVELOPMENT

Clearmaine Limited – Liaison Director – 1982 to date.

This is a holding company that owns fifteen companies with multi-national executives and shareholders, across various sectors such as fishing, export, shipping management, oil and gas and renewable energy.

My major role consists of daily communication between the UK and Spanish offices of the various companies, translating information, updates, reports and legal procedures and court hearings as well as interpreting in meetings both in the UK and Spain.
