

I am a language Service Provider with 25+ Years of experience

We are a one-stop-shop offering high quality, competitive pricing and fast turnaround on language translation. We have a team of translators, DTP specialists and project managers. All work is handled with strict confidentiality and a commitment to quality and customer satisfaction.

Our language services are primarily for the languages as below –

Indian Languages:

Bengali, Gujarati, Hindi, Kannada, Malayalam, Marathi, Panjabi, Tamil, Telugu, Assamese, Oriya, Odia, Nepali

International Languages:

Urdu, Arabic, French, Dutch, German, Japanese, Korean, Chinese, Persian, Russian, Siberian, Polish

Portuguese, Spanish, Bahasa Indonesia, Indonesian, Thai, Filipino, Vietnamese

Most of translators are experienced and native speakers of the target language and a second translator proofs each translation prior to client delivery.

Services include:

- **Translation**
- **Interpretation**
- **Voice Over**
- **Editing**
- **Proofreading**
 - o **Copy writing for brochures websites, press releases, etc.**
 - o **Formatting (DTP) for print media**
 - o **Website localization**

Our team of in-house translators and project managers also works closely with a carefully managed network of freelance translation specialists in order to respond to client requests for almost any subject area and project size. With over 25 years of experience in IT, Manufacturing, Languages, we handle a wide range of document types and subject matter.

Some major areas of translation are:

- o **Hi-Tech and Computers**
- o **Financial**
- o **Medical and Bio-Tech**
- o **Patents**
- o **Technical Manuals and Specifications**
- o **Brochures and Marketing Copy**
- o **Newsletters and Press Releases**
- o **Websites**

The team is equipped and trained to use all the common software tools in today's translation industry such as:

- o **Photoshop**
- o **PageMaker**
- o **AutoCAD**

Kind regards,

Rajesh
