EXPERIENCE

YOON & YANG LLC, Seoul, Korea

April 2015 – present

Foreign Attorney

- Representing Qualcomm in the largest abuse-of-dominance case in Korean history from the investigation by the Korea Fair Trade Commission ("KFTC") to the administrative litigation before the Seoul High Court by preparing expert witness reports, legal memoranda on Korean antitrust laws and civil procedures, and court submissions.
- Representing an American meat processing company and its Korean subsidiary in a criminal investigation and subsequent criminal and civil tort cases concerning defective products.
- Advising a Swiss luxury watchmaker in dissolving business relationships with Korean distributor and establishing wholly-owned overseas subsidiary in Korea by drafting settlement agreements and articles of incorporation.
- Advising an American multilevel marketing health product company in complying with the applicable Korean laws and regulations (Door-to-Door Sales Act) and managing investigations by self-governing trade association and government authorities including the KFTC and the Public Prosecutors' Office.
- Advised an Israeli cosmetic company in complying with the applicable Korean laws and regulations and managing civil tort actions brought against such company by its retailers.
- Advised a Korean pharmaceutical company in preparing a product liability case involving Bendectin by conducting American case-law research and drafting a memorandum on potential defenses and estimated liabilities.
- Advised a Korean bank in its opening of overseas operations in Cambodia by preparing government filings, drafting shareholders' agreements, and reviewing employment contracts.
- Advised a Korean startup in establishing a holding company in the Cayman Islands by preparing government filings and drafting stock purchase agreements, debt financing agreement, shareholders' agreements, and articles of incorporation.
- Represented a Korean private security company in filing an official protest with the United States Government Accountability Office regarding government contract bidding process in Korea.
- Advised a Korean meat processing company in its merger with an American meat processing company.
- Advised a Korean company in its joint venture with a Russian company to build a wind tunnel in Korea.
- Advised a Korean proprietor in its purchase of equity interests in an American skydiving company.
- Represented both foreign and domestic clients in inbound and outbound investments to Korea and formation of joint ventures and overseas branch offices by managing due diligence process, drafting

joint venture agreements, articles of incorporation, shareholders' agreements, various closing documents, and stock purchase agreements.

LG ELECTRONICS INC., Seoul, Korea

October 2014 – April 2015

Foreign Legal Team, Litigation Manager

- Drafted legal opinions in Korean and English for various business units to be used as guidelines in making business judgments in overseas markets regarding formation and termination of business partnerships and provision of new product-related services.
- Researched case laws and statutes from various jurisdictions including Korea, the United States, and the European Union for legality inquiries from various business units; coordinated and managed litigations in various jurisdictions by communicating with outside counsels and reviewing court transcripts; and engaged in negotiations with new and existing business partners to execute, amend, and terminate business agreements.

YOON & YANG LLC, Seoul, Korea

May 2013 – August 2013

Summer Associate

- Researched and drafted articles for publications including Global Competition Review, International Bar Association Antitrust Guidebook, and Practical Law Company Publication on recent developments in Korean competition laws; represented a German truck company in the KFTC investigation by preparing legal memoranda and researching case laws; and conducted business model analysis of an American multilevel marketing company for legal advice on its compliance with the Korean multilevel marketing laws.

HIGH SWARTZ LLP, Norristown, Pennsylvania

June 2012 – July 2012

Summer Legal Intern

- Reviewed construction contracts for a Philadelphia museum concerning its new annex, which included a copyright ownership clause regarding the blueprints of the new building design and installation plan.
- Drafted and amended ordinances for the Lower Merion Township (Pennsylvania) and annotated the amended chapters in the City of Reading (Pennsylvania) Governing Charter.

LANGUAGE SKILLS

- Fluent in Korean and English
