Margarita Gess, Projektmanagerin, Übersetzungsagentur “Alchemy Translations”

- En tant que coordinatrice éditoriale de Qobuz, j'ai beaucoup travaillé avec Edward Maltby. Il en effet l'auteur de nombreux contenus (musique et Hi-Fi) publiés dans notre magazine en ligne et dans nos applications (mobile et desktop) : entre autres des chroniques d'albums et des grands angles.

J'ai apprécié la grande précision de ses traductions, en particulier dans le genre classique dont le vocabulaire est exigeant mais pas seulement (pop, rock, country, electro, metal, etc.). Je dois encore souligner sa ponctualité. Sa rapidité nous a également été très précieuse car nous travaillons dans le flux tendu des sorties discographiques hebdomadaires, et ce tous genres confondus. Pour ces différentes raisons, j'ai toute confiance en Edward Maltby et vous le recommande avec enthousiasme.

Elsa Siffert, coordinatrice éditoriale de Qobuz
