

Erdinc Kuscü

*An experienced **Translator** who has a long track record of solving problems.*

A natural talent in linguistics, Erdinc has left his white collar aspirations to do what he loves. Born to a family of translators, he successfully merges the wisdom of past generations with cutting edge technological innovations. He is an experienced and highly energetic candidate who is able work under intense pressure. He has a long track record of successfully managing comprehensive and complex projects, and in the past he has worked for some of the world's most respected and competitive companies. Outside the office, you can find him writing his second book, playing computer games, or chasing grizzly bears on mountain ranges of Montana.
