Dear Friends,

I started learning Japanese as a hobby and did my Advance Diploma in Japanese language from Indo-Japanese association Mumbai way back in 1984.

Further I have passed Business Japanese Proficiency Test of JETRO Japan and N2 exam of JLPT Japan.

I have been doing Translations since 1984 and I enjoy this work. I provide translation, transcription, tele-interpretation and interpretation services,

- Technical documents
- Marketing documents, scripts and adds
- Surveys
- Clinical Test reports. Medical reports
- Engineering documents
- Chemical processes / Patents
- Drawings and handwritten documents
- Test methods / reports
- E-mails
- Manuals

I look forward to offer my service to you
