# MY OWN TRANSLATION AGENCY

In 2013 I started my own company, Betweenwords, which has allowed me to work part time as a translator. Some of the projects I have worked on are:

- Translation from Danish to English of brochures, contracts and newsletters about pension and insurance for Aon Denmark.
- Translation, editing and recording of messages in Danish and English for the IT department at the University of Copenhagen
- Translation from English to Danish of web content for Booking.com
