Professional Profile

I'm a dedicated professional with a vast experience in numerous fields. My main area of interest, as well as, expertise is translation from Arabic to English and vice versa. This field is covered extensively in a multitude of disciplines, such as Architecture, Religion and Da'wah, Medicine and Engineering, just to name a few. Another field of expertise would be graphic design. Design of letterheads and logos, as well as desktop publishing, are among a few. Working as a Freelance Translator and Graphic Designer is my current status.
