SOCIAL SKILLS

As a boy scout (1996-2006) I used to volunteer at nursing homes, soup kitchens, sport events and psychiatric clinics, all of which helped me develop a sociable, extroverted character.

Travelling across Europe (Italy, Austria, Slovenia, Croatia, Germany, France, Belgium, Spain, England, Ireland, Sweden, Finland, Iceland) and living abroad (Dublin 2008, Valencia 2009, London 2011) contributed to forging an international, intercultural mindset.
