Experience

- From September, 2007, to July, 2012, I have worked at Associação Torre de Vigia de Bíblias e Tratados (Watchtower Bible and Tract Society [Brazil]), a nonprofit organization. Since it is always hosting a lot of foreigner visitors, I had the opportunity of working as a guide to them, explaining, in the Portuguese, English and Spanish languages, what kind of work this organization does. I have also been the host of some other visitors in the French language. Also, I have contributed in the translation of a magazine, of speech drafts with a medical essence, and of a handbook detailing the organization's cleaning and housekeeping.
- Currently, I am translating the book *French Grammar for Dummies*, for *Altabooks*.
- I am currently working as an English teacher at Achieve Languages, in Lavras – MG – Brazil.
- I am currently part of a special team at *amara.org*. We were subtitling educational videos for *Udacity*.

Complementary information

- I really love languages. I am currently learning German.
