PROFILE AND COMPETENCES

After over four years of living in the UK (2006-2010), I have an excellent command of English. I started professional translation on my spare time by the beginning of 2011. Quickly, this became a regular activity, and mostly a passion.

As a professional, I am customer focused and believe I could make a significant contribution. I am someone dedicated and take pride in my work using my initiative and positive attitude to become successful in my career.

- Adaptation/Flexibility : I have worked in many countries and various types of teams or independently.
- Intercultural : Experienced at working in an international dimension.
- Professionalism : Ethic is very important in translation.
- Autonomy : Ability to work in a disciplined way with little guidance.
- Languages : French (mother tongue), English (fluent), Spanish (good)
- Excellent communication skills both verbal and written.
- Time Management Skills.
- Decisiveness: Ability to make quick decisions
