## Qualifications

---

- China Accreditation Test for Translators and Interpreters (CATTI) Level 1 (the highest level) passed

## Skills

---

- Proficient in using CAT, e.g. Trados, Memsource
- Familiar with **game localization, literary, marketing, cryptocurrency, blockchain, architecture, electronics, finance**, etc.

## Experience

---

Since working as a translator in 2013, I have translated **over 10 million words/Chinese characters**. Below are some of the long-term clients and projects I have worked with:

- **Gaming**

Game projects I've been working on: Dragon Raja (RPG), King of Kings (MMORPG), Life Makeover (RPG), Civilization and Conquest (SLG), Noah's Heart (MMORPG), etc.

- **Electronics**

Appliance & Electronics World Expo (AWE), Zcore Chip

- **Blockchain/Cryptocurrency**

CoinEx Exchange, ViaBTC Pool, PandaMiner, LatticeX Foundation

- **Architecture**

China Construction Group

- **Finance**

Vanke Foundation

- **Literary**

RAC Studio, Beijing Walkfield Education

- **Shipping**

Ningbo Zhoushan Port Group

- **SCI papers**

Fujian Agriculture and Forestry University, Fudan University, etc.
