

ALESSANDRO TOTO

PROFILE

I am a native Italian speaker with a medical degree (Radiologic Technologist) and a master's degree in specialized translation (web, medical, technical fields) and I'm working as a freelance translator since 5 years translating/reviewing various types of documents from English to Italian, including ICF for clinical trials on investigational medicinal products, Clinical Trials Agreements and Letters, Medical Device Information, and also from Spanish to Italian in the tourism and travel industry.

It will be a pleasure for me to collaborate with you in your translation project, I will deliver a quality translation, within the deadline accorded.

If you require any further information, feel free to contact me.
