

RESUME

Name: Valentin Bogatu

Date and place of birth: 11 February, 1968, City of Targoviste, District of Dambovita, ROMANIA (Age 52)

Address:

- Str. Sibiu, Nr. 5, Bl. E3, Apt. 29, Sector 6, Bucharest, Zip 061533, ROMANIA, Phone: +40-754-379352
- Str. Ienachita Vacarescu, Nr. 19, Targoviste, Dambovita, Zip 130094, ROMANIA

Email addresses

- yb68@hotmail.com
- yvb68@yahoo.com

Education

- June 1991: Physics Engineer (5 years, Master of Science in Physics), Faculty of Physics, Bucharest University, Major in Solid State Physics, Title of MSc thesis was “ Study of optical transitions into GaP electronic transitions into GaP LED. Method of fabrication of GaP LED”
- April 2000: Ph.D. in Physics awarded by the Institute of Atomic Physics, Bucharest . Title of thesis was “Low dimensional conduction phenomena in semiconductor nanostructures”.

Positions:

- 1991 - 2000: scientific researcher, National Institute for Materials Physics, Bucharest
- 2000: system engineer, Army's Arsenal, Bucharest
- 2009 – 2012: Physics Tutor, Student of Fortune, California, US
- 2012 – 2016: Physics Tutor, Chegg, California, US
- 2016 – 2021: Physics Tutor for graduate and undergraduate students, 24houranswers, NY, US
- 2010 – 2020: English to Romanian, French to Romanian translator OneHourTranslation
- 2017 – 2020: English to Romanian translator, Tomedes
- 2017 – 2021: English to Romanian , French to Romanian translator Polilingua

Known foreign languages:

English, French, Latin - very good reading, writing, speaking
