WORK EXPERIENCE

TRANSLATION

Interpreter at a business meeting with Bangladeshi distributors for *RB Bertomeu* 2014.

Translator (Spanish-English). Water-treatment plant software manual for *Idagua* 2006.

Translator and Proofreader (English-Spanish). Pharmaceutical vademecum at *Ars XXI*. 2005-2006.

Translator (English-Spanish). *Power Point* presentations for *El Castillo Madibic* 2002.

Translator (English-Spanish). Comic-books *.Panini, Planeta de Agostini*. 2002-2006.

PACKAGING

Cost Improvement Projects Developer at *Smurfit Kappa*, Canovelles (Barcelona). 2012-2013 (June-November). Corrugated board packaging.

Tasks: Cost reduction and optimization. Reengineering/design of corrugated board packaging. Logistics and materials optimization.

Achievements: Approval of the Proposal of a new SRP box model adapted to client's packaging equipment. New model (based on two proposed models) accepted.

Senior Packaging Engineer at the *Barcelona Institute of Packaging* (BIP). 2011-2012 (January-June). Technology services. R&D&I projects. Product development.

Tasks: Project management (logistics, product development, referral). Research in packaging raw materials, products and processes.

Achievements: Approval of the Technical Report for requesting ACC1Ó funding.

Researcher at the *IQS*. 2009-2010 (March-December).

Tasks: Packaging R&D projects and Technology Services. Main project: Characterization and improvement of the bubble extrusion and heat-sealing process for thermoplastic films.

Achievements: Identification of the main causes of heat-sealing problems. Implementation of corrective measures, resulting in stoppage reductions and quality increase.

Technical Dept. Manager at *Witte & Solá* (San Fost de Campsentelles, Barcelona). 2006-2008 (January–November). Collapsible aluminum tubes for pharmaceutical and cosmetics companies.

Tasks: New products development (BOM, line of production... etc), Technical assistance to client (samples, trial...). Artwork supervision and management. Technical specifications. Raw materials and suppliers approval.

Achievements: New procedure for raw materials standardization which reduced validation time.

Packaging Technologist at *Revlon S.A.*, Barcelona (currently *The Colomer Group*, Cornellà). 1999-2000 (March-March). Cosmetics, toiletries, and grooming products.

Tasks: New packaging development. Supplier search and technical liaison. Mock ups and first samples approval. Drawing up specifications and packaging instructions. Coordination of tests and trials.

Achievements: Solving product breakage problems in very short time, preventing the arrival of damaged items to the client.

R&D&I

Chemical Adviser at *Diamond Spring Water Technologies*, Enfield, (London). 2000 (May-June). Water purification devices.

Technology Services Engineer at the *IQS*. 1998 (October- December).

Tasks: Research projects for several companies (*Biovert, Aismalibar...*).

Final Project (T.F.C): "Study of Porous Resins used in Pressure Casting" carried out at the IQS in collaboration with a tableware and giftware company Sargadelos (Cervo, Lugo). 1997-1998 (September–July) .T.F.C. Final Grade: 95/100.

Automotive Industry

Extrusion/Encapsulation (Process) Engineer at *Sekurit (Saint-Gobain group)* for its *SG Devisa* plant at El Vendrell, (Tarragona). 2001-2003 (Jan-Dec). Tempered and laminated glass parts for the automotive industry (*Seat, Volkswagen, Ford...*).

Tasks: Production supervision. Management of the Production Dept. Production Planning. Continuous improvement, Supplier search and technical liaison. Coordination of international (France, Germany, China, and South Africa) projects and transfers.

Achievements: TPM management organization, training and monitoring.

Implementing a new primer for PVC encapsulation that reduced glass handling and saved operation time.

MISC.

Assistant to the Traffic Department Manager at *Macogasa DDY* (sea-freights owners and freighters) at La Coruña. 2004-2005 (December-February).

Tasks: Department coordination. Freights follow-up. Searching for new ship-owners and freighters. Documentation updating.

Achievements: New contract as brokers for an international freight (after 15 days on the position).

LANGUAGES

English: High level (1996 Cambridge Certificate of Proficiency in English).

French: Upper intermediate level, B1 (1995 Intermediate Level Certificate from the Augusta Idiomas Academy in Barcelona).

German: Beginner level.

Spanish & Galician: Mother tongues.

Catalan: Spoken (high level).

COMPUTER KNOWLEDGE

Programming: *Visual Basic, Visual C.*

Experience as a user: *Microsoft Office, Microsoft Project, Hyperchem, Solid Works, SAP R/3, Ultra Edit, Auralport, Adobe Illustrator, Aurocad, 3-Matic, Esko Artios.*

EDUCATION & QUALIFICATIONS

PACKAGING

Master in Packaging Engineering at <i>Institut Químic de Sarriá (IQS).</i>	2009-2010
Postgraduate course in Protective Packaging (<i>IQS</i>).	2012
Postgraduate course in Pharmaceutical Packaging (<i>IQS</i>).	2012
Course: Advanced Flexographic Printing (40 h. <i>Comexi</i>).	2012
Industrial Engineer (major in Chemistry) <i>Ramón Llull University.</i>	1998
Chemical Engineering Degree, <i>IQS.</i>	1998

MANAGEMENT SKILLS

Course: Management Skills (96 h. <i>ESADE</i>)	2003
Course: Organization & Motivation of Workteams (<i>Fundación Confemetal, Saint-Gobain Devisa</i>).	2002
Course: Development of Management Skills (40 h. <i>Revlon, FESEC</i>)	1999

MISC.

Course: SAP User (200 h. <i>PC Carrier</i>).	2013 (Nov–)
Course: Industrial Design (<i>Solid Works, CATIA, Rhinoceros, 300 h</i>).	2013 (Nov–)
Course: Encapsulation Process (<i>Sekurit Saint-Gobain, México D.F.</i>)	2001
Course: Speaking in public 3 h. <i>IQS</i>).	1997
