---

## GOAL

---

For me it is important to be part of something larger and to give back to society. I have a strong belief that information as well as education should be free and am proud to be part of the education of young professionals.

---

## VAARDIGHEDEN

---

Proficient in multiple languages. Strong organizational and analytical skills. People manager. Instigator, problem solver and driving force. Education is part of my DNA.

---

---
