Work experience

Arabic Company for Spinning & Textiles,
Alexandria.

Jan 1984 — Dec 1984

Maintenance Engineer

Following up and maintenance the spinning machines.

Hobaish group for production workshops & trade, Cairo.

Jan 1985 — Dec 1985

Production Engineer.

I was responsible for turning processes on lathes.

Industrial secondary school, Mallawi, Minia, EGYPT.

May 1986 — May 2008

Teacher

+ I taught several engineering subjects such as eng. drawing, machine technology, metallurgy, measuring devices, applied mechanics and project management.

+ In last years of this period, I got the position of senior teacher to supervise the others in my specialization.

Industrial Secondary School for Girls, Mallawi, Minia, EGYPT.

May 2008 — May 2017 (Retirement)

Assistant of Schoolmaster.

I was in charge of Student's Affairs. I gained experience in leadership. I learned how to be firm and flexible in the same time. I also, learned how to encourage and motivate the others. I realized that the good manager should behave in order, discipline and patience.

Freelance

Jan 2012 — Present

Written Translator and Arabic Editor.

+ I worked for the account of many bookstores such as Dar Al-Kalema (Logos) at Roxy, Heliopolis, Cairo.

+ I worked also, for the account of Bible Society in Cairo, Egypt.
