WORK EXPERIENCE

MAScIR

Mar 2014 — Aug 2014

Final Project Internship

The company is a prestigious Moroccan research company in new technologies, due to the company's multicultural aspect, my work was done in English before being translated to French for my school presentations.

SITEL

Apr 2014 — Jul 2014

Agent

French based call center, with a 2 week training.

EDUCATION

Process engineering of environment and energy

sep 2009 — Oct 2014

ENSA

Degree: State engineer for environmental and energy techniques.

DELFF /DALF

jan 2010 — Jun 2010

Institut Français de Kenitra

This accreditation from the French institute was conducted in partnership with Kenitra's university.

With a school year of extra classes according to this test I'm a C1 level.

Baccalaureat Degree

sep 2006 — jun 2009

El Malqi

High school degree, in physics specialization, with very good remarks.

INTERESTS

- **Social work:** I'm enrolled in a human right association, this helped me gain a lot of confidence and practice my languages for various matters.

I participated in the 20 feb moved, It was a very interesting experience some of the work we've done consisted in making educational videos that needed to be translated to various languages, with high team work spirit.

- **Movie Projections:** Especially organizing them, in 2012 with the help of my school and classmates we made a club called "Libre Expression" that had as one of it's activities projecting movies.

- **Writing:** In the same club we made a monthly magazine made from the students, i was in charge of collecting articles from students, correcting and discussing there work with them.
