To Whom it may concern,

It is our pleasure to provide this reference on behalf of Mr Bilal Brown. Mr Brown has been working with us since 2005 as a freelance translator

The scope of his work includes:

- Translating technical articles from Arabic into English.
- Performing live translations at conferences from Arabic into English and vice versa .
- Editing Arabic materials and preparing these for publication.

Mr Brown has studied Arabic language and literature extensively in the middle east and has gained a high level of competency in both spoken and written Arabic.

Mr Brown is a very hard-working, qualified and motivated professional. The accuracy of his translations and the ability to work under deadline pressure deserve a special mentioning.

I would also like to remark on Mr Brown's excellent relations with colleagues and clients.

I can without hesitation recommend Mr Brown for any translating job or any position that requires in-depth knowledge of Arabic.

Please do not hesitate to contact me should you have any questions or require additional information.

Yours sincerely,

Amjid Mahmood
