## Profile

Working with Lean at the moment, this makes me see things in a different way. I have become more open-minded. I am organized in a structural way. I'm easy to work with and I can handle stress. I gladly take on new challenges and I love to develop new skills.

## Education

### **EF Englishtown (2015)**

Online course at EF Englishtown through my work, general English was on the agenda and I passed level 16 out of 16.

### **High school graduate (2006)**

Swedish A, Swedish B(Advanced), English A, English B(Advanced)

## Experience – Top 4

### **Freelancer (2016)**

Several freelancing projects with happy customers

### **SSAB (2016)**

Translated a "SSAB One-book", an internal book for the company.

### **SSAB (2014)**

Translated two major workshops in PowerPoint at work.

### **FootStar (2006)**

Translated the entire online game, user manual and strings.
