

## CURRICULUM VITAE

**NAME:** Konstantinidi Tatiani  
**DATE OF BIRTH:** 18/12/1985  
**NATIONALITY:** Greek  
**E-mail:** tatianikonst@yahoo.gr

### **PERSONAL SUMMARY**

---

I would like to work as a freelance translator and subtitler. I have a lot of experience translating from English to Greek and vice versa, as part of my studies in Chemistry. I have translated papers for foreign magazines and posters for international conventions, made presentations and I have written my bachelor thesis in English. Chemistry and medicine are my fields of expertise, but I can deal with more subjects.

### **EDUCATION**

---

**2010-2014** MSc. in Organic Chemistry, Department of Chemistry, University of Crete, Greece  
**2010** University of Pardubice, Czech Republic, Erasmus program, dissertation thesis "Hydrophilic Interaction chromatography (HILIC) of polar compounds in monolithic capillary column"  
**2004-2010** BSc. Analysis/Environment, Department of Chemistry, University of Thessaloniki, Greece

### **FOREIGN LANGUAGES**

---

**English** Certificate of proficiency in English, Cambridge University  
Certificate of proficiency in English, Michigan University  
**German** Zertifikat Deutsch, Goethe Institut  
**Spanish** Self taught

### **PERSONAL SKILLS**

---

Certified computer skills, excellent knowledge of Windows and Microsoft Office (Word, Excel, Power Point), VisualSubSync  
Six months teaching assistant at the University of Crete (Laboratory Organic Chemistry 1)  
Good performance while under pressure, good at meeting tight deadlines, self-motivated, disciplined

### **INTERESTS**

---

Literature, long term travel ( I have spent almost two years in Mexico, Guatemala, USA ) , cinema, cooking, winemaking (family tradition) ,natural cosmetics and soap making (semi-professional 2011-2015), human rights volunteer
