### **MY PROFILE**

---

I'm an Arabic native translator, with more than 5 years of experience in Arabic<>English Freelancing. I have been working for local and international translation agencies, and engaged in translating as many fields ( Legal; contracts, agreements, tenders, certificates, notary public, etc., Medical, Proposals and economic reports, general) using CAT tools such as MEMOQ, as to make me fast performer and quality observer. Moreover, I manage a professional team of experienced translators who assist me in big projects.
