Yonat Daleski Cohen

Since 2002 I am working with organizations, publishing houses, translation agencies and private customers.

My main focus is nonfiction books, autobiographies and biographies, self-help books and articles.

I always research the subject of translation in order to be as accurate and precise as possible while translating into fluent, up to date Hebrew with a rich vocabulary.

I translated works in various subjects: new media, health and well-being, sustainability, education, Judaism, history, psychology and more.

Some of my recent translation projects:

2023- Studies in Beta Israel Heritage – I. History of The Ethiopian Jews in Ethiopia. Printed in Israel, The Ethiopian Jewry Heritage Center, Pardes Publishing

2021- International Political Economy, sixth edition, by Thomas Oatley. Printed in Israel, Lamda - The Open University Books

2020- New Media, fourth edition, by Terry Flew. Printed in Israel, Lamda - The Open University Books
