PROFESSIONAL EXPERIENCE

March 2012- May 2017: Head of compliance and risk, Octo Finances :

- Legal documentation: drafting contracts, translating regulatory news and client documentation (English to French).
- Pro-active study of European regulatory drafts: EU Directives, Regulations, and technical standards (mainly in English).
- Active participation to the working group of the Paris Europlace, exchanging views about new regulations with the EU.
- Permanent and periodic controls: set-up a plan and execute the controls. Follow-up and analysis of the risk indicators.
- Relation with the financial authorities (AMF and ACPR): regulatory reports, presentation of the internal control planning, and reply to their inquiries.

August 2010 - January 2012: Interest rate derivatives back-office, Société Générale CIB :

- Drafting simple and complex IRD contracts, mainly in English. Familiar with ISDA, FBF, and DRV master-agreements formats.
- Drafting contract templates for new products, in English and French.
- Drafting tailored contracts for specific needs, in the pre-sales phase.
- Drafting internal procedures

2004 - 2009: Sales Agent, SpectraLims, CCS, and Adviz :

Developing sales, and ensuring after sales success of software development projects, outsourced to India. English to French translation of the software.

2000 - 2001: Interest rate derivatives back-office, Société Générale CIB :

Drafting simple IRD contracts, mainly in English, complying with ISDA and FBF formats.
