objective

Brazilian freelance translator based in Australia looking to develop long-term partnerships with translation agencies.

education

2019-curt. **CERTIFICATE IV IN MARKETING AND COMMUNICATION** *Greenwich College (Melbourne)*

2016-2019 **BACHELOR OF ENVIRONMENTAL AND URBAN ENGINEERING** *UFABC (São Paulo)*

2013-2016 **BACHELOR OF SCIENCE AND TECHNOLOGY** *UFABC (São Paulo)*

work

2017-2019 **TRANSLATOR** *Freelance*

Extensive experience in proofreading and translating from/to English in IT, games, science, and engineering. Specialized in pharmaceutical and medical fields. Some of my end clients include: Novartis, Eli Lilly, Servier Laboratories, AbbVie, Sanofi, Boehringer Ingelheim, and Roche.

2017-2018 **BUSINESS CONSULTANT** *SuaviPan (São Paulo)*

Led the role of developing a BI dashboard for the CFO's use, which involved learning Qlik Sense programming language. Assumed a leader role by being responsible for implementing a CRM system and training the staff to use it. Provided solutions for daily tasks using tools such as VBA.

2017-2017 **ENGINEERING INTERN** *Rodipa (Sao Paulo)*

Responsible for the development of the company's VBA based purchasing process system. Collaborated in the development of a MVC application for business management. Led the role of Project Manager of the Rainwater Harvesting and Sewage Treatment systems for company's new factory facility.
