- CTP- Certified Translation Professional. Ongoing.
- High School/Technical - Pensacola Junior College, FL, USA - 2002.
- Business Administration – First Dominion, VA, USA. - 2006

I have good communication and research skills. One reason I particularly enjoy this business, and the challenges that go along with it, is the opportunity to connect with people. My strengths are attention to detail, excellent reading and listening comprehension, and writing and speaking skills, pro-activeness, responsiveness and commitment to deadlines. What I am looking for is a company that values good relations, where I can join a strong team and have a positive impact on customer retention and sales.
