OTHER INFORMATION

I own a company with my three friends. In the company, I take care of marketing and communications. The company was founded on our high school's business class which was transformed into an official joint-stock company in 2019.

During high school, I also took part in European Statistics Competition 2018 with two of my classmates and we made it to the finals.

I went to the army in 2019 and I finished it in 2020 with an NCO (non-commissioned officer) course.
