

Keymot Presentation

Keymot is an international translation services provider and one of the UK's fastest growing translation companies. Out of over 10,000 translators globally it is ranked in the top translation vendors in UK.

Over the last few years we have built a technology platform that enables human translators to deliver faster and more accurate translations, lowering the cost and time to deliver translations.

We are always improving our skills and technologies, below you can find just few of the software we use while working on client's projects.

The logo for SDL, featuring the letters 'SDL' in a bold, dark blue font with a green asterisk-like symbol to the right.The logo for 'across', with the word in a dark blue sans-serif font and a green speech bubble icon to the right.The Adobe logo, consisting of a red stylized 'A' icon followed by the word 'Adobe' in a dark blue sans-serif font.

We always aim to upgrade to the latest available versions of our softwares so the end client has the best product.

Our linguists are proud members of leading translation organizations like:

The logo for elia, with the word 'elia.' in a bold, lowercase sans-serif font, and 'european language industry association' in a smaller font below it.The logo for GALA, featuring the word 'GALA' in a bold, uppercase sans-serif font, with 'Globalization & Localization Association' in a smaller font below it, all enclosed in an orange oval shape.The logo for ata, featuring the letters 'ata' in a stylized, lowercase cursive font.

Our services

Translation and proofreading

Keymot is one of the leading and **fastest growing** providers of professional and accurate translation services in the United Kingdom.

We pride ourselves in the quality of our work, excellent customer service, reliability and unbeatable turnaround times. Today, we work hard to become one of the largest translation agencies in EU space, working with clients from many different countries and fields. We work with the most experienced and talented translators and language lovers. Our vast network of **10,000 linguists** are capable of translating in over 100 languages. All linguists are **verified and well trained** by our system, we guarantee that all translators are native in their language so you will get only **professional translations**.

Localisation & Adaptation

We help you grow your business because we make it easy to be multilingual.

If you are selling products or services that require manuals or instructions for the users, you undoubtedly need localisation services of a reputed company to be able to communicate in a better and more meaningful manner with clients in foreign countries. Localisation is a requirement that has become very common for most products and services.

Keymot specialises in enhancing the localisation content of a product or service, be it software, medical translation, or any other technological product.
