Università Vita-Salute San Raffaele - Milan

October 2012 - March 2017

Master's Degree in Philosophical Sciences

Università Vita-Salute San Raffaele - Milan

Work experience

October 2017 - Today

Italian Translator

Battlefy - Remote Job

Battlefy is where anyone can create or find an esports experience. We also bring brands into the world of esports with special campaigns that connect them directly to players and organizers. I personally made a fresh-new translation for Battlefy website.

August 2017 - Today

Communication Manager

CIB (Campionato Italiano di Battlefield) - Remote Job

The CIB is the first Italian Championship for Battlefield 1, with more than 35 teams and 450 players. Media

Partnership with some of the most known Italian online videogames magazines, such as IGN Italia, SpazioGames, Lega Nerd and Team Nerd. PlayStation 4 is the chosen platform for the CIB.

April 2017 - Today

ICT Manager

Immobiliare "La Galleria" - Legnano (MI), Italy

Social Media Manager (Facebook mainly) and person in charge of the introduction of new technologies applied to the real estate field, such as 360° Virtual Tours.

October 2016 - Today

Italian Community Manager

ESB (eSport-Battlefield) - Remote job

ESB (eSport-Battlefield) is a community project for Battlefield dedicated to allow players and teams to directly dive into the console eSport scene as smoothly as possible.

October 2015 - Today

Personal Assistant

N/A - Milan, Italy

Person in charge of the organization, cataloging and scanning of all Professor Luca Luigi Cavalli-Sforza's scientific articles.

July 2015 - Today

Personal Assistant

N/A - Belluno, Italy

Person in charge of the organization and cataloging of all the books of the Eppe Ramazzotti/Dino Buzzati/Luca Luigi Cavalli-Sforza & Sons library at Villa Buzzati in Belluno

September 2012 - Today

Team Manager and Leader

Lone Wolves Team - Remote job

Lone Wolves team manager and leader since 2012. LW are one of the most important eSport team competing on the EA/DICE Battlefield series (PlayStation 3 and 4). Winner of 15 trophies in 5 years. Currently playing BF1 on PS4.

September 2012 - October 2014

Community Manager and Event Organizer

ShowMatch! – Remote job

I planned and managed several eSport online tournaments, the most important of which has been the IFL (International FIFA League) 2013/2014. Several famous players took part in it, including the future FIWC Champions August Rosenmeier (2014) and Abdulaziz Alshehri (2015), the U.C. Sampdoria player Mattia Guarracino and the popular YouTube star Ovidiu Patrascu.
