

CECILIA FAVARO

ENGLISH<>SPANISH (LATAM) TRANSLATOR

Healthcare | Medicine | Human Resources

ABOUT ME

As a professional linguist, I help organizations overcome language barriers and communicate their messages to professionals, patients, employees, and the general public in a clear and accessible way. I translate healthcare, medical and human resources materials, and I seek to improve my linguistic services through ongoing training in my areas of specialization.

WORK EXPERIENCE

Freelance Medical & HR Translator

From January 2019 onwards, I have translated texts on my specialty fields: Healthcare, Medicine, and Human Resources for direct clients, companies and translation agencies. I have also translated texts on other subjects of my interest: disabilities, addictions and education.

Executive Assistant to Vice-President at Gador S.A. (pharmaceutical company)

From July 2015 to November 2018, I assisted the company's Vice President in labor and personal matters, and I translated texts for the Commercial Department and the Audit & Compliance Department.

Bilingual Assistant at VMware (software company)

From November 2012 to July 2015, I assisted the company's managers and staff, both in local and international business matters.
