6) Journalism

03. 06. 2019: U.S., Japan, South Korea, Australia hold first naval drills in Western Pacific
Review. U.S. Navy ships conducted joint drills with warships from allies Japan, Australia and South Korea in their first combined exercise in the Western

Pacific in late May 2019, according to the U.S. Navy.

03. 06. 2019: Australia increases military activity in Indo-Pacific

Review. Australia has joined the United States in expanding its military activity in the Indo-Pacific region. Citing the region's security and a dedication to the continued effective functioning of the rules-based global order, Australian defense officials are increasing deployments and joint regional exercises with the U.S. and other regional partners.

03. 06. 2019: Intelligence sharing thwarts attacks, leads to arrests

Review. Indo-Pacific countries are intensifying their intelligence-sharing efforts and examining counterterrorism policies following a trio of deadly attacks by extremists over the past year in Indonesia, the Philippines and Sri Lanka. Their cooperative efforts already resulted in scores of arrests and thwarted additional attacks.

03. 06. 2019: LANPAC attendees discuss free and open Indo-Pacific, opportunities to partner

Review. Representatives from 28 nations with military operations in the Indo-Pacific gathered from May 21-23 in Hawaii to discuss innovation and adapting to an evolving environment for land forces during the seventh iteration of the Land Forces in the Pacific (LANPAC) Symposium and Exhibition.

03. 06. 2019: U.S. official: Pacific islands nations should maintain Taiwan ties

Review. Pacific island nations should resist "heavy-handed" pressure from the People's Republic of China (PRC) and maintain their diplomatic relationships with Taiwan, a U.S. official said in May 2019

03. 06. 2019: India, Japan, Sri Lanka agree to develop Colombo Port, counter PRC

Review. India, Japan and Sri Lanka signed an agreement in late May 2019 to jointly develop the south part of the Colombo Port, known as the East Container Terminal (ECT), according to media reports.

29. 05. 2019: Booz Allen Hamilton - Magazines Quarterly Last file

Review. quarterly international political and security magazine

27. 05. 2019: New Zealand brings first terrorism charge in mosque shootings

Review. New Zealand police have charged the man accused of murder in

shootings at two Christchurch mosques in March 2019 with engaging in a terrorist act, the first time such a charge had been brought in the country's history.

27. 05. 2019: Australian, Indian navies build bonds during anti-submarine warfare exercise Review. Australia and India strengthened cooperation and interoperability between their navies during AUSINDEX-19 in April 2019, according to officials.

27. 05. 2019: Workshop addresses lingering chemical weapons threat in Indo-Pacific Review. The resurgence of deadly attacks on civilians by violent extremists using conventional weapons and explosives in several countries in the Indo-Pacific, including Indonesia, New Zealand, the Philippines and Sri Lanka, has the region's government officials concerned that future attacks may use chemical weapons.

27. 05. 2019: U.S. Army Corps of Engineers builds bright futures for children in Vietnam Review. U.S. leaders officially turned over the keys to a new two-story kindergarten in northern Vietnam, Ha Giang province, near the border of China, on May 7, 2019. The 339-square-meter kindergarten in Xin Cai has six classrooms and holds up to 320 children

27. 05. 2019: Exercise Northern Edge highlights U.S. forces capabilities Review. About 10,000 U.S. military personnel converged in Alaska in late May 2019 to highlight joint operations and capabilities of U.S. forces.

27. 05. 2019: Three decades after Tiananmen, Chinese government still silencing dissent Review. People living in China who want to publicly remember the lives lost during the Tiananmen Square protests of 1989 face a troubling list of possible consequences — house arrest, a bus ride out of town or even imprisonment.

24. 05. 2019: Booz Allen Hamilton - Magazines Quarterly Second file Review. quarterly international political and security magazine

22. 05. 2019: Booz Allen Hamilton - Magazines Quarterly First file Review. quarterly international political and security magazine

20. 05. 2019: Sri Lanka has suppressed likelihood of more Islamist militant attacks, Army chief says Review. Sri Lanka's Army commander, Mahesh Senanayake, said the threat of

more Islamist militant attacks had been contained and the security services had dismantled most of the network linked to the Easter Sunday bombings.

20. 05. 2019: U.S., Japan, India and Philippines challenge Beijing with naval drills in the South China Sea

Review. In a fresh show of naval force in the contested South China Sea, a U.S. guided missile destroyer conducted drills with a Japanese aircraft carrier, two Indian naval ships and a Philippine patrol vessel in the waterway claimed by the People's Republic of China (PRC), the U.S. Navy said in early May 2019

20. 05. 2019: Trilateral air, maritime patrols curtail kidnappings

Review. Air and maritime patrols conducted by Indonesia, Malaysia and the Philippines over the Sulu and Celebes seas have widely been hailed as a Success since their launch in 2017. The patrols curtailed kidnappings by the Violent extremist Abu Sayyaf Group and led to the rescue of dozens of hostages

20. 05. 2019: Samsung case puts IP protection at top of South Korea's priority list

Review. Technology industry leaders and government officials in South Korea are mobilizing to counter persistent efforts to steal the country's intellectual property (IP).

20. 05. 2019: U.S. Court enforces subpoena power against Chinese banks, increasing pressure on North Korean sanctions

Review. A U.S. court upheld subpoenas to three large Chinese banks as part of a sanctions probe of a front company for the North Korean regime in a recent ruling unsealed in May 2019. The ruling, made March 18, strengthens the existing body of law rejecting the argument that Chinese secrecy laws protect banks owned or operated by the People's Republic of China (PRC) from U.S. court subpoenas

20. 05. 2019: Indonesia continues tough fight against illegal fishing

Review. The Indonesian government has mounted a robust effort over the past five years to curb illegal fishing in its territorial waters. Authorities have sunk more than 535 illegal fishing vessels that were impounded since October 2014, according to ministry records.

20. 05. 2019: Evacuations save many lives as powerful cyclone slams India, Bangladesh

Review. Early storm warnings, mass evacuations and proper coordination between militaries and civilian relief agencies drastically reduced death tolls when Tropical Cyclone Fani raked the coasts of India and Bangladesh in May 2019, authorities said.

13. 05. 2019: U.S. warns China, Russia against Arctic aggression

Review. The Trump administration warned the People's Republic of China (PRC) and Russia in May 2019 that the U.S. won't stand for aggressive moves in the Arctic region, which is rapidly opening up to development and commerce as temperatures warm and sea ice melts.

13. 05. 2019: U.S. says PRC putting Uighur Muslims in 'concentration camps'

Review. The United States accused the People's Republic of China (PRC) in May 2019 of putting more than a million minority Muslims in "concentration camps." It was among the strongest U.S. condemnation to date of what it calls Beijing's mass detention of Muslim Uighurs and other Muslim groups.

13. 05. 2019: Indonesia breaks up suspected human-trafficking ring

Review. Indonesian authorities have dismantled the country's largest-ever human-trafficking ring with the arrest of four men suspected of trafficking 1,200 Indonesians to work as undocumented domestic workers in Morocco, Saudi Arabia, Syria and Turkey.

13. 05. 2019: Japan deploys forces to defend territorial waters near disputed islands

Review. Facing persistent maritime intrusions into its territorial waters, Japan is deploying military units to three islands in the country's southwest to counter actions by the People's Republic of China (PRC)

13. 05. 2019: ASEAN members strengthen collaboration toward Vision 2025

Review. Representatives from the 10 member states of the Association of Southeast Asian Nations (ASEAN) gathered in Jakarta, Indonesia, in late April 2019 to advance discussions on better collaboration and an increased focus on the people they represent.

13. 05. 2019: Japanese, Vietnamese defense ministers seek peaceful resolution of PRC expansion in South China Sea

Review. Defense ministers from Japan and Vietnam agreed to cooperate in May 2019 to counter the People's Republic of China's (PRC's) aggression in the

South China Sea, several Japanese wire services reported

13. 05. 2019: Nepal, Sri Lanka enter the space age with first satellite launches

Review. Nepal and Sri Lanka joined the global community of space-faring nations in April 2019 by launching their first satellites from a NASA spaceport in the United States.

06. 05. 2019: Emperor Naruhito ascends throne in Japan with 'sense of solemnity'

Review. Japanese Emperor Naruhito formally took up his post on May 1, 2019, a day after the abdication of his father, saying he felt a "sense of solemnity" but pledging to work as a symbol of the nation and the unity of its people

06. 05. 2019: In rare move, French warship passes through Taiwan Strait

Review. A French warship passed through the strategic Taiwan Strait in April 2019, U.S officials told Reuters, a rare voyage by a vessel of a European country that is likely to be welcomed by Washington but increase tension with Beijing.

06. 05. 2019: Japan recrafting defense goals to reflect evolving threats

Review. Poised to contend with a rapidly evolving security environment, Japan is redefining its defense goals to reflect the need to defend against present-day threats, including those from cyberspace and the electromagnetic spectrum

06. 05. 2019: Mission-specific exercises ready joint forces on peninsula

Review. The Republic of Korea (ROK) and U.S. militaries have organized new exercises to replace larger-scale activities in an effort to maintain a robust defense posture while supporting diplomatic efforts to secure the peace.

06. 05. 2019: Cyber threats prompt Japan, U.S. to bolster cooperation

Review. Japan and the United States have agreed to strengthen their cyber security cooperation in recognition of the fact that state-sponsored cyber villains have in recent years launched attacks that crippled the networks of businesses, government agencies and healthcare facilities worldwide.

06. 05. 2019: PRC sends military veterans to jail for years for protesting poor benefits

Review. Chinese courts sentenced at least 47 military veterans in April 2019 for protesting during the previous year against mistreatment and a lack of compensation for their service, including a failure to provide pensions, The Associated Press reported.

30. 04. 2019: Indonesia's Widodo declares victory in presidential election

Review. Indonesian President Joko Widodo said in mid-April 2019 that he had won reelection after receiving an estimated 54% of the vote, backtracking on an earlier vow to wait for official results after his challenger made improbable claims of victory.

30. 04. 2019: Thai royal honors bestowed on Australian doctors for cave rescue

Review. Two Australian doctors received royal honors in Thailand in April 2019 for helping rescue 12 members of a boys soccer team and their assistant coach from a flooded cave in 2018.

30. 04. 2019: Japan leads regional effort to fight cyber crime

Review. Japan continues to play a leading role in Indo-Pacific cyber security initiatives with its plans to launch a regional alliance to fight cyber crime in August 2019.

30. 04. 2019: Pacific Pathways rotates through Palau

Review. Military personnel who specialize in physical and mental health, along with veterinary technicians and other U.S. Army Soldiers, completed a week of health assessments and infrastructure improvements in April 2019 during Exercise Palau, part of the ongoing Pacific Pathways program.

30. 04. 2019: Taiwan seeks greater U.S. commitment in 40-year relationship

Review. April 2019 marked the 40th anniversary of the United States' Taiwan Relations Act, which serves as the basis for ongoing commercial and cultural relations between the two nations in the absence of official diplomatic ties

22. 04. 2019: Facebook promises crackdown on fake news in Australia ahead of election

Review. Social media giant Facebook Inc. said in early April 2019 that it would strengthen measures to fight fake news in Australia and briefly block foreigners from buying political advertisements in the lead-up to a national election in mid-May.

22. 04. 2019: Australia to spend U.S. \$269 million on countering extremism

Review. Australia's conservative government in early April 2019 said it would boost spending by U.S. \$269 million over the next four years to counter the threat of violent extremism, following mass shootings at two mosques in New Zealand in March 2019.

22. 04. 2019: Malaysia, Philippines cooperate to promote economic growth, staunch terror
Review. The political leaders of Malaysia and the Philippines discussed promoting peace and achieving security and economic growth through cooperation during a summit in Manila in March 2019.
22. 04. 2019: Maritime exercise bonds navies of Australia, Sri Lanka
Review. Four Royal Australian Navy Vessels dropped anchor in Sri Lankan waters March 23-30, 2019, to participate in drills with the Sri Lanka Navy.
22. 04. 2019: ASEAN exercise to focus on mine clearing, peacekeeping
Review. Delegates from 18 countries gathered in Bogor, Indonesia, in March 2019 to plan a military training exercise scheduled for later in the year that will focus on humanitarian mine action (HMA) and United Nations peacekeeping operations (PKO)
22. 04. 2019: U.S., India defense partnership focuses on emerging technologies
Review. Defense collaboration between India and the United States soon could include joint projects to develop small unmanned aerial vehicles (UAVs) and lightweight small arms.
22. 04. 2019: Special Operation Forces key for protecting sovereignty, providing resilience in the Indo-Pacific
Review. Maintaining the sovereignty of all nations is essential for a free and open Indo-Pacific, Adm. Philip Davidson, commander of the U.S. Indo-Pacific Command (USINDOPACOM), said during the keynote address at the Pacific Area Special Operations Conference 2019 (PASOC 19).
09. 04. 2019: Balikatan 2019 highlights forward deployment capabilities for combat readiness, crisis management
Review. U.S. Marines, Soldiers, Sailors and Airmen joined their Armed Forces of the Philippines counterparts April 1-12, 2019, to conduct Exercise Balikatan 2019 in the Philippines
08. 04. 2019: Philippines protests PRC boats converging on Spratly island town in South China Sea
Review. The Philippines has protested the presence of more than 200 Chinese vessels swarming near a Philippine-occupied island in the disputed South China Sea.

08. 04. 2019: ROK, Indonesia on the verge of testing new fighter
Review. A multirole “semi-stealth” fighter jointly developed by the ROK and Indonesia will be ready for testing in 2021, the ROK Ministry of National Defense announced in March 2019
08. 04. 2019: India’s tests on new missile system a success
Review. India conducted a series of successful test firings of an indigenously produced guided-missile system in March 2019.
08. 04. 2019: U.S., UK remain concerned about Huawei
Review. U.S. officials said that they still have security concerns about Huawei, but they acknowledged they must find a way to coexist with the Chinese telecommunications giant.
02. 04. 2019: Vietnam protests to China over South China Sea boat sinkin
Review. The fishing vessel was moored near in the Paracel archipelago on March, when a PRC maritime surveillance vessel chased it and fired a water cannon at it
