Highlighted projects in 2023

o I successfully localized and edited **UNEP**'s *Africa Environment Outlook* for *Business* publication. This document was over **90,000 words** long and required extensive terminology research.

- o I localized more than **80,000 wo**rds for a major Australian **cosmetic** brand¹: I had to translate slogans, CTAs, product descriptions, brand spirit and **creative blog post**s.
- o I have fully translated, edited and proofread more than **30,000 words** for **Erasmus** +: an entire research paper titled "COCAGNE: Exchanges and analysis of good practices of professionals fighting against the exclusion of poorly housed people and migrants".

• Creative & Marketing transcreations of more than 50,000 words for RH, an upscale home-furnishings company. In this context, I have drafted, translated and transcreated thousands of descriptions of luxury goods, furniture and artworks for names such as Tania Dibbs, Caitlin Dinkins, Dustin Rousseau, Kali Sanders and Sallie White.

Literary & Education:

I myself have written three books, in both French and English. I had the opportunity to translate dozens of literary and poetic documents, including song lyrics, short stories, novels, and educational books for children.

***** Freelance copywriter, copyeditor and transcreator

2017 – 2023 English to French / French monolingual

I had the opportunity to produce a large number of copies, mainly for **blog posts**, agronomic publications, EU global documentation (notably for AFAFI), product descriptions (The North Face), and casinos/video-games-related materials (marketing, blog posts, user manuals, legal documentation...).

- As a French-native copywriter, my strengths are:
 - Strong command of the French language, in both colloquial and academic styles;
 - Good understanding of SEO principles (on-page optimization, keywords research etc.);
 - Excellent research abilities (as a linguist, I have to perform extensive researches on various topics for the past 10 years)
 - Reliable **creativity**: My dual role as a writer and localization specialist offers a perfect blend of creative flair (and a bit of madness maybe? ②) and linguistic accuracy, ensuring content is both engaging and culturally relevant.

For the past 2 years, I have been working as a **copyeditor** for Indeed, thus reaching an extensive audience, a multitude of subjects, industries and indeed expertise covered in the articles that I edit each week. My role is not only to correct grammatical and spelling errors, but also to advise the copywriters in order to improve the linguistic, marketing, SEO, commercial and educational quality of their work.

I have carried out several transcreation projects, which required me to:

- Fully localize marketing and legal documents and
- **Research** scientific studies in the target country whose data would be relevant to the source materials
- Advise the client in terms of website and digital content **optimization**
- Handle slang words localization.

Development and Recruitment Manager

2021 – 2023 Linguistic services, Management, Marketing & Communication

In parallel to my work as a linguist, I am in charge of the development and recruitment of an international academic platform, as an independent service provider. My responsibilities include:

- contacting multiple universities and high schools around the world to promote an educational exchange program with France;
- monitoring the implementation of marketing content on the school's website to promote various linguistic projects;
- ensuring and coordinating the translation of educational materials into various languages;
- communicating regularly on the status of projects, producing summaries, facilitating the connection between various stakeholders;
- traveling if necessary to provide interpreting services.
